

NOMINATE YOUR SCHOOL COUNSELOR AND/OR COLLEGE ACCESS PARTNER TODAY!

We are seeking to honor school counselors and/or college access partner who have gone above and beyond the call of duty as leaders and advocates for immigrant and undocumented youth!

Do you know a school counselor or college access partner who deserves to be recognized for his/her dedication to supporting college and career readiness for immigrant and undocumented students?

The Center for Excellence in School Counseling and Leadership (CESCaL) would like to honor your school counselor or college access partners at the

2nd Annual Supporting Access to Higher Education for Immigrant and Undocumented Students Conference

This conference is specifically designed to equip school counselors with the knowledge, attitudes and skills to support student access and equity to postsecondary opportunities, funding options, and the college application process.

This award nomination seeks to recognize school counselors who have supported students by removing the barriers often faced by immigrant and undocumented students to higher education and by assisting them in navigating the complex labyrinth to higher education.

Testimonials from undocumented youth often indicate the most crucial factor in their academic success has been the support received from caring adults in their lives.
