

Summer Professional Development for Mathematics Teachers in Grades 6 - 8

Improving Student Understanding and Achievement in Ratio and Proportional Reasoning

Sponsored by the San Diego Mathematics Project, a California Mathematics Project

Monday through Friday, July 6 - 10, 2015
8 am - 4 pm daily

Also includes two after-school follow-up sessions during the school year to be decided.

Location: 6367 Alvarado Court, near the SDSU campus (ample FREE parking)

Cost: \$250 total

(checks and district purchase orders accepted—see the registration link below for more info)

3 units of upper division SDSU Math credit are available for an additional fee

Why Attend?

- Learn how to teach all of your students the critical concepts of ratio and proportional reasoning using strategies aligned with the CaCCSSM
- Learn more about ratio and proportional reasoning standards and resources
- Analyze the reasoning required or encouraged by various tasks including student work samples

All materials will be provided, along with morning and afternoon break refreshments

Questions?: Email Dr. Nadine Bezuk, nbezuk@mail.sdsu.edu
