Culture Report: 'Artistic Justice' for an Underserved Community

Alt Spaces, Creation Museum Rejection, Math + Art and Film Cut

- The new grant-funded "InforMath Collaborative" project [unites university researchers with staff from Balboa Park institutions](#) like the Mingei International Museum and the Reuben H. Fleet Science Center to collaboratively design and eventually implement new programs that connect visitors with mathematics, effectively rebranding numbers as something as hip, cool and engaging as art. (press release)
