SEMESTER: _____

1. Plan the individual study course with the faculty member who will supervise the work. Keep in mind that the work should be equivalent to a 3-unit doctoral course. **Note: The independent study course will not be approved to complete program milestones or practice a specific skill.**
2. In a separate document write a description of the subject and focus of the independent study class including 1) title, 2) detailed summary, 3) related literature, 4) deliverables, and 5) timeline including meetings with faculty supervisor.
3. Return this form and the study description to the Doctoral Program Office. Staff will give you the schedule number.
4. File a copy of the deliverables with the Doctoral Program Office and your supervising faculty member.
5. Faculty supervisor will assign (letter) grade.
