A Message from the Dean

The College of Education at San Diego State University is dedicated to the preparation of outstanding teachers, counselors, therapists, and leaders who will make a powerful difference in the lives of the students, clients, families, and communities. Toward this end, we are committed to thoughtful scholarship that:

- Enhances our capacity and the capacity of other institutions of higher education to prepare outstanding professionals, and
- Influences constructive changes across a wide array of educational/service settings by promoting the application of deeper, richer, more nuanced understandings of salient factors.

Our collective publication record is one measure of the impact of our College of Education. This report presents information about the scholarship of College of Education faculty members during the 2012-13 academic year, when Ric A. Hovda served as Dean of the College. It presents the books, chapters, and articles in refereed journals and proceedings that appeared in print during this time period. Included are 109 publications representing the work of 33 faculty members. Book reviews, conference papers, technical reports, and articles in non-refereed periodicals are not included.
