Although the program starts in May 2016, you will be applying for Fall 2016:

Select Educational Leadership as the Department, and select the program you are interested in:
Either MA & Credential OR MA
Later on in the application, you will be able to select the online option.

Complete your profile requirements
Please provide us with the emails of two recommenders. Please DISREGARD this statement, we only need two letters of recommendation.

Please complete the Program Questions section as follows, indicating that you are interested in the online program. You will provide us with your interests in the program and your list of leadership activities in your video of purpose later on in the application.

Upload your Resume
Upload your video of purpose in the Statement of Leadership Philosophy section and DISREGARD the optional section.

To upload your video, add your video link to a word document and upload the document here:

What to include in the video?
Create a 2---3 minute video that speaks to your technology experiences to date, as well as your reasons for pursuing a Master’s in Education Leadership with an emphasis in Technology.

The video should include the following information:
1) Describe your reasons for pursuing the M.A. Why now? Why San Diego State University and the San Diego County Office of Education Collaborative?

2) Describe your technology experiences to date. How have these experiences influenced learning and achievement for the students you serve? Include a brief discussion or show examples of how you use technology in your classroom or at your site.

3) If you have developing technology interests, explain or show what they are.

4) What do you hope to gain from this program?
