Assumption Program of Loans for Education (APLE)
The APLE is a state-funded, competitive teacher incentive program administered by the California Student Aid Commission (CSAC). The APLE program is designed to encourage outstanding students to become teachers and serve in critical teacher shortage areas in California’s public elementary and secondary schools. See APLE
Under the provisions of the APLE program, CSAC may assume up to $19,000 in outstanding college loan balances. To be eligible, participants must teach in California public school (K-12)
For further information, visit http://www.csac.ca.gov/doc.asp?id=111

Math for America (MfA) San Diego Fellowship
Math for America (MfA) San Diego’s mission is to improve high school math education in San Diego by recruiting, training, and retaining outstanding mathematics teachers. If selected, MfA SD fellows receive:
• $15,000 stipend per year for five years (or $75,000 across the five years)
• Full tuition and fees for a single subject teaching credential at one of our partner universities
• Individualized support of a mentor teacher and extensive professional development throughout the term of fellowship.
For further information, visit http://www.mathforamerica.org/sandiego

Knowles Science Teaching Foundation (KSTF) Fellowships
The KSTF Teaching Fellowships, the foundation’s signature program, supports, sustains and inspires exceptional young men and women committed to making a difference as teachers. Renewable for up to five years, the program provides Fellows with comprehensive professional development, mentoring and a community of peers to help them stay in the profession and become leaders in education.
KSTF Teaching Fellowships are awarded based on four selection criteria: science or mathematics content knowledge, commitment to teaching, professional ability and leadership.
For further information, visit http://www.kstf.org

Teacher Education Assistance for College and Higher Education (TEACH) Grant
TEACH Grant is a federal program awarded to students who commit to teaching specific high-need subjects at qualifying elementary or secondary schools that serve students from low-income families.
Before being awarded or receiving the funds, you are required to complete a TEACH Grant online counseling session and sign a TEACH Grant Agreement to Serve (ATS).
