Advanced Certificate in Behavior Analysis

For students pursuing:

Coursework leading to the BCBA

IMPORTANT NOTE:
The SDSU courses are only one of the criteria for obtaining certification for the Behavior Analysis Certification Board. Applicants must also have supervised field experience and pass an exam.
The Behavior Analyst Certification Board®, Inc. has verified the following courses toward the coursework requirements for eligibility to take the Board Certified Behavior Analyst® (Option 1) or Board Certified Assistant Behavior Analyst® examination. Applicants will need to meet additional requirements before they can be deemed eligible to take the examination. This course sequence is required for ALL individuals taking the exam after January 1, 2015. Students MUST have OR be enrolled in a Masters or Doctoral program to complete this sequence. These courses that also comprise the SDSU Advanced Certificate in Behavior Analysis are listed below:
