Piedra del Sol Addendum

Refer to the SDSU Student Housing License Agreement 2015-2016. By completing and signing the Student Housing License Agreement, you agree to all of its provisions. Please read these provisions carefully before submitting a completed License Agreement and addendum. This addendum to the License Agreement presents the terms and conditions by which a San Diego State University student agrees to abide when residing in Piedra del Sol Apartments during the 2015-2016 year. This addendum does not alter any conditions or obligations in the License Agreement.

If you occupy a space in Piedra del Sol during the 2015-2016 year, in addition to the License Agreement, the following will apply:

- The agreement and fee period for the 2015-2016 leasing period is Friday, August 21, 2015 to Friday, August 5, 2016. License is for an 11.5-month period or the remaining portion, if the student begins residence after the year is in progress, or until no later than 4:00 pm on Friday, August 5, 2016. Piedra del Sol is one of the Housing Over the Break complexes and is open during Thanksgiving, semester and spring break in addition to being open through the end of the contract.
- Meal plans are available only during the periods specified in Section 7 of the License Agreement.
- Licensee hereby agrees to make payments to University according to the payment schedule. Rent will be billed in 10 installments and meals will be billed in 8 installments, if applicable.
- Also included in the first scheduled payment is an optional, nonrefundable recreation fee, which entitles the Licensee to membership in the on-campus recreation facility for a 12-month period or the remaining portion or until August 2016, if the student begins residence after the year is in progress.
- Parking is available for residents at an additional cost and is coordinated through the Piedra del Sol Office. Those who choose not to purchase a reserved parking space may purchase student semester permits with overnight designation (available through the University Cashiers Office) and park in campus areas specifically designated for a student permit.
- The laundry facilities are coin operated and Aztec Funds through the SDSU Card Office also work at this location. Licensee should contact the Piedra del Sol Office for assistance in troubleshooting or maintenance of laundry facilities. If money is lost, Licensee should contact Piedra del Sol Office directly regarding refund policy.
- Licensee will not be eligible for hall change once he/she moves into Piedra del Sol. Room change within Piedra del Sol, depending upon occupancy, may be permitted if approved by the Office of Housing Administration with a $30 processing fee.
