your guide to living in

ZURA

2015-2016
Welcome to the residential community at SDSU! We designed this guide for you in hopes that it will help you navigate this exciting experience and feel more at ease about your new college home. Living on your own for the first time can be both exciting and scary. We want to provide you with adequate information for this important transition. In this document, you can find general information about living in the residential communities, as well as tips on how to live with roommate(s) who may be very different than yourself. We have also included university policies in this guidebook for your reference. Be sure to familiarize yourself with all of this critical information. As a member of our community, you will be held accountable for knowing and following these rules and maintaining the space you live in. It is our goal to create a safe and friendly living environment to help you reach your fullest potential and take full advantage of your college living experience.
This is your home for the next academic year. By signing your Student Housing License Agreement, you are indicating that you are an adult who is mature and capable of handling the opportunity of living in a community, as well as handling the responsibilities which include confronting someone who is violating your rights, being accountable for your behavior, and recognizing the compromises necessary when living with other people. In adult life, all rights have corresponding responsibilities. You are responsible for your actions within a community and those actions affect others. Be responsible and considerate of your community. Behaviors that do not reflect these actions can result in judicial action, eviction, or paying restitution.

How to Use this Document:

**Step 1.** Read it!

**Step 2.** Complete the Community Living Agreement.

**Step 3.** Bring it with you to your first two floor meetings.

**Step 4.** Have the discussion about community living standards with your RA, roommates, and other residents.

MEET YOUR STAFF

At SDSU, there are many student and professional staff members available to assist you while you are living in the residential community.

RESIDENTIAL EDUCATION OFFICE

RESIDENCE HALL COORDINATOR (RHC)

Residence Hall Coordinators (RHCs) are full-time, master’s level professionals who live in the residential communities. The RHCs work with building staff and residents to provide a link to all the resources of the university and assist residents in developing a positive residential community. Every RHC supervises a Front Desk Security Manager, and the part-time Resident Advisors who live on every floor of the community. The RHCs also advise the hall council, maintain hall security, meet with students regarding student conduct issues, and coordinate hall activities and programs.

FRONT DESK SECURITY MANAGER (FDSM)

Front Desk Security Managers (FDSMs) are experienced, full-time SDSU graduate student/staff members who provide leadership in residential community management issues. They assist the Residence Hall Coordinator in managing facility functions for residents in the community. Major responsibilities include assisting the RHC in overall community management and assuming primary responsibility for desk operations.
RESIDENT ADVISOR (RA)

Resident Advisors (RAs) are full-time SDSU students who have had intensive training on a variety of issues college-age students encounter on a daily basis. RAs live on each floor of the residential communities and work on a part-time basis. RAs are available to listen to your concerns and help you seek additional help when necessary. In addition, RAs serve as facilitators for community building and regularly planned programs for the residents in their respective communities. RAs are also responsible for bringing inappropriate conduct to a resident’s attention.

ACADEMIC MENTOR (AM)

Academic Mentors (AMs) are returning full-time SDSU students who collaborate with the RAs and Residence Hall Coordinators to create an educational environment. AMs serve as resources, mentors, and program planners, as well as community development agents for the residents living in learning communities.

DESK ASSISTANT (DA)

Desk Assistants (DAs) are the front desk student-staff members responsible for assisting you with customer service, in monitoring the security of the building, disseminating information and equipment, processing mail, and enforcing expectations related to safety procedures.
REZCON ASSISTANTS (RCA)

RezCon Assistants (RCAs) help you get your computer set up and connected to online services, including email and the Internet. RCAs can only help you with network connectivity issues. (For general computing questions, call the Student Computing Help Desk or your computer’s manufacturer.)

FACULTY-IN-RESIDENCE (FIR)

Faculty-in-Residence (FIRs) serve as liaisons between SDSU faculty and students. These San Diego State University faculty members live in apartments located within the campus residential communities. They work closely and cooperatively with the residential staff. Together they develop academic communities and meet the needs of residents by encouraging their intellectual stimulation and academic success.

CUSTODIAL AND MAINTENANCE

Keeping your living area clean and in good repair is a shared responsibility. Custodial and maintenance staff are members of the residential community team and work together with students in maintaining the facilities. Please see the “Services” section for more details.
RESIDENCE HALL LEADERSHIP

REPRESENTATIVE GOVERNMENT

RHA

The Residence Hall Association (RHA) is the student voice for all of the SDSU residential communities, connecting students to campus entities such as the Housing Administration, Residential Education, and Associated Students. Representatives from each community meet weekly with the SDSU RHA executive and programming boards to address issues affecting residents. Residents participating in RHA also have an opportunity to be involved in the creation and implementation of social and educational events and budgets and policies for the residential communities. RHA sponsors campuswide residential community activities such as Vegas Nights, Valentine-grams, the “Hall-iday,” and many others. Student delegations within the SDSU RHA also represent students living in SDSU’s residential communities at regional and national conferences.

HALL COUNCIL

Hall Council is the student voice of residents in a particular residential community. These councils meet regularly to address important issues specific to the building or community. They also plan events and assist students in creating a positive community within their residential community.

SPEAR

The SPEAR (Special Programs, Events, Activities & Recreation) board plans and implements late night social programs and events for residential community students, specifically on the weekends. These programs are designed to offer safe alternatives for social engagement. Some events include a late night dance party, Ghost Glow, Shake Your Shamrock and many others throughout the year.

FACTS BEHIND THE MYTHS

**MYTH:** My roommate and I have to become best friends.

**FACT:** While sometimes roommates do become best friends, most of the time they become good friends. You do not have to be best friends to have a fun and rewarding experience, but it is important that you learn to respect one another no matter what relationship may develop.

**MYTH:** Having a Roommate Agreement will put restrictions on what I can and can’t do.

**FACT:** A Roommate Agreement has guidelines to which you agree. It is not in place to restrict you. Everything you and your roommate(s) agree to should be things with which you are comfortable. If you are not comfortable with something, talk to your roommate(s) until you find a compromise that works for everyone.

**MYTH:** If I just keep to myself and my side of the room, everything will be fine.

**FACT:** While this may work for a short time, you are living in a shared space and your paths will cross. Having open lines of communication from the beginning will allow for a friendlier environment.

**MYTH:** My roommate and I need to be alike for us to get along and have a good year.

**FACT:** Having similar hobbies and habits can make it fun to live together. However, it is also good to get to know someone different than you. Your roommate(s) may have some great things to share with you. You may learn some new skills and interests.

SUCCESSFUL ROOMMATE RELATIONS

Sharing a room and living in a community are learned skills. There are benefits to developing good relationship skills. The skills you build now will serve you later in life. College students are mature and capable of handling the responsibilities of living in a campus community. These responsibilities include confronting someone who is violating your rights, being accountable for your responsibilities and behaviors, as well as recognizing your own behavior and that compromises are necessary for living with other people. In order to successfully live with others, communication is a necessity!

Differences are normal and provide opportunities for growth and learning about different people and their lifestyles. Some roommates will become close friends while others may never be close, but will live together respectfully. Each roommate owes the other the courtesy of speaking to him/her first if conflict arises.

Be prepared to discuss your preferences with your roommate(s) in order to reach mutual understanding for your Roommate Agreement. The Roommate Agreement will be completed during your first week of school. It can be utilized as a point of reference should future conflicts arise between you and your roommate(s).
CREATING A COMMUNITY LIVING AGREEMENT

Our commitment to community is based on sound assumptions:

Living in the residential community is an extension of the classroom learning experience. Residential communities provide a unique opportunity to put citizenship development into practice. We strive to promote human dignity, civility and mutual appreciation for the uniqueness of each member of our community and the basic values of intellectual honesty, tolerance and mutual respect.

The opportunity to live with diverse individuals is central to the mission of the university. All people having freedom from discrimination, harassment, and violence is fundamental to the success of our community. While freedom of speech will be protected, the residential community will speak out against intolerance and abusive behavior.

Conflicts will happen in learning to live with other adults. Some residents will be best friends for life, while others will live together respectfully without becoming close friends. As an adult, you are expected to discuss, negotiate, and sign a Community Living and Roommate Agreement. Changes can be made at any time. Always discuss problematic issues with involved individuals as a first course of action. Resident Advisors and Residence Hall Coordinators can assist with conflict resolution and problem solving if initial discussions do not resolve an issue.

Growth often results from dealing with conflict. Dealing positively with personal differences helps prepare you for life beyond college. In group living, it is essential that you actively participate in your own individual growth and the development of your residential community.

Keeping in mind that policies and procedures in your Student Housing License Agreement are in effect at all times, what are some additional guidelines you would like to create in order to have the most positive living experience possible? Try to explain your wishes in the Community Living Agreement.

At the conclusion of your second community meeting, your community will create a Community Living Agreement, which you will be asked to sign. It is to your benefit to participate in the process since all members will be held to the agreement.

SAFETY & EMERGENCY PROCEDURES

IN YOUR ROOM, KEEP THREE GALLONS OF DRINKING WATER AND A PERSONAL EMERGENCY KIT AT ALL TIMES.
The Residential Education and Housing Administration staff strives to provide a safe, on-campus living environment for you to live and learn. We encourage you to become familiar with the safety information and emergency procedures provided in this section.

EMERGENCY PROCEDURES

If any emergency occurs, call 911 or 619-594-1991 for University Police and contact the RA on Duty at the front desk right away.

Emergencies include fire, sickness, accident, or a threatening situation. The university recommends that families create an emergency communication plan in case of national or regional emergencies. Please complete a plan before arriving on campus. Review information on the following website for suggestions: www.ready.gov.

Prior to move-in, residents are required to complete an emergency contact information page on your Housing Portal through the housing License Agreement application process. All of the information provided is kept confidential. This is to assist emergency responders in the case of a medical emergency. It is important that all requested information is completed. This includes your contact in case of an emergency and your contact in case you are reported missing.
ALARMS AND BUILDING EVACUATIONS

All residents and guests are required to evacuate the building if an alarm is sounded. Please read the emergency procedures posted on the back of your door once you arrive and become familiar with the procedures.

» University and city ordinances consider fire regulation and evacuation drills essential.

» Alarms and fire equipment must not be disturbed except in actual emergencies. (California Penal Code Section 148.4). Violators will be prosecuted.

» A continual alarm signals evacuation by all students and guests.

» In Maya & Olmeca, Cuicacalli, University Towers, Chapultepec, Zura, and Tenochca use the closest available stairway to exit. In Granada and Zapotec, use the closest available stairwell or gate to exit.

» At the first sound of an alarm, the staff member on duty will immediately shut down the elevators.

» In drills and real emergencies, building staff have the same authority as representatives of the Fire Department.

» All rooms must be evacuated.

» Residents may re-enter the building only when notified by staff that it is safe to do so.

» Failure to evacuate in a timely manner and follow the instructions of university staff will result in judicial action.

EARTHQUAKE

Residents are expected to keep these supplies in their room:

- Flashlight with extra batteries
- Battery-powered radio with extra batteries
- Heavy gloves, shoes, and a blanket
- Three gallons of drinking water
- First aid kit
- Supply of necessary medications

In the event of an earthquake:

» Don’t run outside.

» If indoors, watch for objects that could fall on you, such as light fixtures, furniture, and ceiling tiles. Stay away from mirrors, windows, and swinging doors. Try to get under a table, desk, bed, or stand in a doorway.

» In a high-rise building, get under a desk or table. Do not dash for exits as stairways may be broken or jammed with people. Power for elevators may fail.

» If outside, avoid buildings, power poles, and other objects which could fall; move to an open area.

» Do not go inside a building.

» In a car, stop in the safest space possible.
In the event of any major crisis, find or stay with your residential community group or RA until you are officially accounted for and released. Call a family member as soon as possible to let them know you are safe. In your room, keep three gallons of drinking water and a personal emergency kit at all times.

ACTIVE SHOOTER OR VIOLENT INTRUDER:

Be aware of your surroundings and any unusual activity. Take note of emergency notifications (text messages, emails, and announcements). If you are in a room, stay there and lock the door or barricade the door with furniture. Remain quiet (silence cell phones) and evaluate the situation. If safe to do so, call 911 to notify University Police. If you cannot speak, leave the line open to allow the dispatcher to listen. As a last resort, and only if your life is in imminent danger, attempt to disrupt or incapacitate the suspect by acting aggressively, throwing items, or yelling. If there is an accessible escape path, attempt to evacuate the location. Leave personal items behind, keep your hands visible and empty, and follow instructions of law enforcement.

A.L.I.C.E. » Alert  
» Lockdown  
» Inform  
» Counter  
» Escape

The above is based on the A.L.I.C.E. response program, designed to increase your chances of surviving an active shooter or violent intruder event on campus. The program utilizes five key components - Alert, Lockdown, Inform, Counter, and Escape - and encourages community members to take an active role in their own survival.
**FIRE SAFETY**

Fire alarm systems in the SDSU residential communities are reliable and use state-of-the-art technology. The campus fire alarm network is monitored by University Police. Alarms are very sensitive. In order to ensure your safety, alarms can be inadvertently set off by carelessness in cooking, use of appliances, or smoke, as well as more dangerous reasons. Nevertheless, all alarms must be taken seriously and all residents must immediately evacuate.

Each and every device (pull-station, smoke detector, heat detector, etc.) has a specific address programmed into the controller. If a problem is evident, the controller will know exactly which detector or alarm is sounding, and then transmit that information to University Police.

Fire alarm systems were installed for your protection. The campus has had numerous cases of residents attempting to disable smoke detectors or remove them from their rooms. The safety of our residents has been taken into consideration and maintaining the integrity of our systems is managed with the assistance of all residents.

Students tampering with any part of any system, in any manner, will be reviewed for immediate eviction, judicial, and legal action. Please be advised that all repairs made necessary due to tampering with fire alarm equipment will be charged to the resident. Furthermore, in accordance with California Penal Code Section 148.4(a)(1), tampering with a fire alarm or life safety system may be considered a felony. If you notice a problem with the fire alarm system, please don’t hesitate to contact your front desk.

**IN CASE OF FIRE, DO NOT USE ELEVATOR**

**For fire inside your room:**

1. Call 911 or 619-594-1991 to contact University Police. Give your exact location. Tell them what’s burning.

2. Activate the fire alarm pull station, if available.

3. If you cannot safely extinguish the fire, evacuate the area. Close all doors as you leave. Take your keys.

**For fire outside your room:**

1. Feel the door. If it is hot, don’t open it! Call 911 or 619-591-1991 to contact University Police and tell them the situation and exact location. Seal bottom of door with towel or other material to keep out smoke. Move away from the door.

2. If the door is not hot, open it cautiously. Walk to the closest safe stairwell. If smoke is present – stay low. Walk downstairs. Go up only if downward movement is not safe.

Prepare in advance! Count the doors between your room and stairwell in case the hallway is dark or smoky.
SEXUAL ASSAULT, DOMESTIC VIOLENCE, STALKING

SDSU is committed to a community free from crimes of sexual assault, rape, domestic violence, dating violence, sexual harassment, and stalking. All members of the university community share responsibility for upholding this policy as we strive to attain our goal of a violence-free community.

Individuals alleged to have committed sexual assault may face criminal prosecution by law enforcement and may incur penalties as a result of civil litigation. In addition, employees and students may face discipline/sanctions at the university. Employees may face sanctions up to and including dismissal from employment, per established CSU policies and provisions of applicable collective bargaining unit agreements. Students charged with sexual discrimination, harassment, or violence will be subject to discipline, pursuant to the California State University Student Conduct Procedures (see Executive Order 1098 at studentaffairs.sdsu.edu/srr/discipline1.html) and will be subject to appropriate sanctions. In addition, during any investigation, the university may implement interim measures in order to maintain a safe and non-discriminatory educational environment. Such measures may include immediate interim suspension from the university, required move from university-owned or affiliated housing, adjustment to course schedule, or prohibition from contact with parties involved in the alleged incident.

SDSU’s primary concern is the safety of its campus community members. The use of alcohol or drugs never makes the victim at fault for sexual discrimination, harassment, or violence; therefore, victims should not be deterred from reporting incidents of sexual violence out of a concern that they might be disciplined for related violations of drug, alcohol, or other university policies. Except in extreme circumstances, victims of sexual violence shall not be subject to discipline for related violations of the Student Conduct Code.

For more information about sexual violence and prevention information at SDSU, please contact Jessica Rentto, Title IX Coordinator, in Administration, Room 320, or at jrentto@mail.sdsu.edu, or 619-594-6017. You can also refer to go.sdsu.edu/sdsutalks/booklet.aspx.
TITLE IX NOTICE OF NON-DISCRIMINATION

San Diego State University does not discriminate on the basis of sex, gender, or sexual orientation in its education programs or activities. Title IX of the Education Amendments of 1972, and certain other federal and state laws, prohibit discrimination on the basis of sex in all education programs and activities operated by SDSU (both on and off campus). Title IX protects all people regardless of their gender or gender identity from sex discrimination, which includes sexual harassment and violence:

» **Sexual Discrimination** means an adverse act of sexual discrimination (including sexual harassment and sexual violence) that is perpetrated against an individual on a basis prohibited by Title IX of the Education Amendments of 1972, 20 U.S.C. §1681 et seq., and its implementing regulations, 34 C.F.R. Part 106 (Title IX); California Education Code §66250 et seq., and/or California Government Code §11135.

» **Sexual Harassment** is unwelcome conduct of a sexual nature that includes, but is not limited to, sexual violence, sexual advances, requests for sexual favors, indecent exposure and other verbal, nonverbal or physical unwelcome conduct of a sexual nature, where such conduct is sufficiently severe, persistent or pervasive that its effect, whether or not intended could be considered by a reasonable person in the shoes of the individual, and is, in fact, considered by the individual, as limiting the individual’s ability to participate in or benefit from the services, activities, or opportunities offered by the university. Sexual harassment also includes gender-based harassment, which may include acts of verbal, nonverbal or physical aggression, intimidation or hostility based on sex or sex-stereotyping, even if those acts do not involve conduct of a sexual nature. See further information in CSU’s Sexual Violence Prevention and Education Statement (including facts and myths) online at [http://oerc.sdsu.edu/pdf/Sexual_Violence_Prevention_and_Education_Statement.pdf](http://oerc.sdsu.edu/pdf/Sexual_Violence_Prevention_and_Education_Statement.pdf).

» **Sexual Violence** means physical sexual acts (such as unwelcome sexual touching, sexual assault, sexual battery and rape) perpetrated against an individual without consent or against an individual who is incapable of giving consent due to that individual’s use of drugs or alcohol, or disability. See further information in CSU’s Sexual Violence Prevention and Education Statement (including facts and myths) online at [http://oerc.sdsu.edu/pdf/Sexual_Violence_Prevention_and_Education_Statement.pdf](http://oerc.sdsu.edu/pdf/Sexual_Violence_Prevention_and_Education_Statement.pdf).

TERMS AND CONDITIONS

By completing and signing the Student Housing License Agreement, you agree to comply with and are expected to follow the San Diego State Housing Terms and Conditions. You can view the Terms and Conditions by viewing your signed License Agreement on your Housing Portal or on the SDSU Office of Housing Administration website at http://housing.sdsu.edu/housing/files/04304-License_Agreement2015-16FINAL.pdf.

PAYMENTS

Residential community rent and meal plan payments can be made online through your Student Account Services Cashnet Account or in person at the Student Account Services Office located at Student Services West, room 2536. Rent and meal payments are automatically broken down into eight (8) installments. These installments are due monthly beginning in September and ending in May (subject to change, please visit http://housing.sdsu.edu/housing/fees.aspx for current dates). The $375 initial payment submitted with your application is credited towards the first installment of rent. You can view your bills on your Student Account Services Cashnet Account. Online payments are accepted.
in the forms of e-check or credit card. It is your responsibility to check your account for outstanding payments.

Information regarding miscellaneous fees and damage charges can be found on the Office of Housing Administration website at http://newscenter.sdsu.edu/housing/miscfees.aspx.

ROOM CHANGE REQUESTS

Residents may request for a room switch by submitting a completed Room/Hall Switch Request form to the Office of Housing Administration. The form is available online beginning the third week of the fall semester. Completed request forms need to be turned in to the Office of Housing Administration during office hours (i.e., Monday to Friday, 8:00 a.m. to 4:30 p.m.). Emailed or faxed copies will not be accepted.

Requests received during the week will be processed the following Monday. If an accommodation is available based on your request, you will receive an e-mail offer on Monday and will have 24 hours to reply to the e-mail. If we are unable to accommodate your request, you will be notified by e-mail and placed on our wait list. E-mail notification will be sent to the e-mail address seen on your Room/Hall Switch Request form. There is a $30 room switch fee that will be applied for any request that is accommodated. Room and hall switches will not be permitted during finals for the fall and spring semesters.

Room/Hall Switch Request forms can be found on the Office of Housing Administration website (http://newscenter.sdsu.edu/housing/switchrequest.aspx) or at the Office of Housing Administration central office.

CONTRACT RELEASE REQUESTS

The Student Housing License Agreement is a legally binding document. By signing it, you have agreed to certain terms and conditions, which include expectations for occupancy and conduct. Breaking this contract has costly consequences. You may request a “Contract Release” at any time. Depending on your reason and documentation provided to support your request, you will be charged either 30 days or end of contract of rent beyond the day that you check out of your room. Generally, the charge is the end of contract rent unless you are also withdrawing from the university. For more information about Contract Release, refer to the License Agreement or contact the Office of Housing Administration.

Contract Release Requests forms can be found on the Office of Housing Administration website (http://newscenter.sdsu.edu/housing/cancellation.aspx) or at the Office of Housing Administration central office. Requests and documentation can be mailed, faxed, or emailed to the Office of Housing Administration. Faxed requests also require original documents.

SERVICE REQUESTS

Repairs will be made on a priority basis when a service request has been submitted. Request a repair by initiating a service request online at http://newscenter.sdsu.edu/housing/servicerequest.aspx or at your front desk. Please be aware that in some cases, it may take several days for a service request to be completed if parts must be ordered. If it is necessary to enter your room to make a repair while you are out, the maintenance staff member will notify you that they were working in your room.

CUSTODIAL

Taking pride in the living areas is a shared responsibility. Custodial team members are on campus seven-days-a-week working with students to provide a clean and sanitary community. It is important for students to do their part as well to maintain a clean and healthy community. Residents should place all waste in designated recycling bins, trash chutes or outdoor dumpsters. Any required excessive cleaning caused by students or their guests can be charged to individual students where identified. Residents are asked to assist the staff by not using restrooms while they are being cleaned.

MAINTENANCE

Maintenance staff members complete repairs by prioritizing and scheduling requests as they are received. They depend on students and staff to let them know what needs to be done. Please notify staff of a maintenance need by initiating a service request online at http://newscenter.sdsu.edu/housing/servicerequest.aspx or by contacting the front desk. Please explain what type of work is needed, where it is needed, and what needs to be done (please be as detailed and specific as possible). In some cases, parts must be ordered, and it may take additional time to complete the work. If it is necessary to enter your room to make a repair while you are out, they will notify you that they have worked in your room. Maintenance staff will only enter rooms to service requests or due to emergencies as described in the Terms and Conditions of the License Agreement. Please contact your front desk to report any after hours building emergencies.

CENTRAL OFFICE

The Office of Housing Administration central office assists students with assignments and contracts. This includes services such as Room/Hall Switch Requests and cancellation requests. The office also assists students with obtaining and returning Bike Barn keys. The Office of Housing Administration central office can also answer any general questions.
FAQS

HOW CAN I GET MY COMPUTER HOOKED UP TO THE INTERNET AND WIRELESS ACCESS?
RHA
(HOW TO GET INVOLVED)

How do I get involved in the Residence Halls?

The Residence Hall Association (RHA) is the student governing body of all on-campus residents at San Diego State University. The RHA not only serves as the representation of all residents on campus, but also serves as a programming board for the residential communities. Involvement opportunities include the RHA programming board, your individual Hall Councils, SPEAR Late Night Programming board, and Aztec Nights. RHA and Hall Councils are responsible for planning many different types of activities such as Vegas Nights and community services events. Every student living in the residential communities is a member of RHA, so we would love to invite you to participate in making a difference in your living experience at SDSU.

ROOM/HALL SWITCHES

How do I request a room switch?

Residents may request a room switch by submitting a completed Room/Hall Switch Request form to the Office of Housing Administration. The form is available online beginning the third week of the fall semester. Completed request forms need to be turned in to the Office of Housing Administration during office hours (i.e., Monday to Friday, 8:00 a.m. to 4:30 p.m.). Emailed or faxed copies will not be accepted.

Requests received during the week will be processed the following Monday. If an accommodation is available based on your request, you will receive an e-mail offer on Monday and will have 24 hours to reply to the e-mail. If we are unable to accommodate your request, you will be notified by e-mail and placed on our wait list. E-mail notification will be sent to the e-mail address seen on your Room/Hall Switch Request form. There is a $30 room switch fee that will be applied for any request that is accommodated. Room and hall switches will not be permitted during finals for the fall and spring semester.

What if I want to move into another building?

Similar to room switch request, residents who are interested in moving into another building must submit a completed Room/Hall Switch Request in person to the Office of Housing Administration.

If my roommate moves out, can I keep my room to myself?

No. If a space becomes available in a double, triple, or quad room, the remaining resident(s) will be asked to either consolidate or accept a new roommate at any given time. Be a gracious roommate. Failure to prepare
your room for a new roommate, or any effort to make a new roommate feel unwelcome, is considered a violation of policy.

**HOUSING OVER THE BREAKS**

**What if I need housing over break periods?**

Except Cuicacalli, Piedra del Sol, Tarastec, University Towers, Zapotec, and Villa Alvarado, all of the residential communities close during Thanksgiving, winter, and spring breaks. The previously mentioned complexes are open during these periods, at no additional charge, for students who live there throughout the academic year. You cannot “temporarily” move to one of these complexes during any of the break periods.

**LOST ACCESS CARD**

**What if I lose my key or access card?**

Let the front desk know at once. A lost key or card poses a security risk! Report a lost or stolen SDSU Red ID card to the SDSU Card Office via their website, [www.sdsucard.sdsu.edu](http://www.sdsucard.sdsu.edu). This will immediately deactivate your SDSU Red ID Card. Speak with your front desk to receive a temporary replacement card. Replacement of lost or stolen keys, SDSU Red ID cards, and swipe cards will be ordered and you will be billed.

**RENTER’S INSURANCE**

**Do I need renter’s insurance?**

The university has no insurance to cover personal property damage. Therefore, the university highly recommends that you obtain insurance, such as a renter’s policy. (Your parents’ homeowners insurance policy may cover theft or damage of property in your room. Check with your insurance agent)

**CANCELLATIONS**

**What if I need to cancel my contract for housing?**

The Student Housing License Agreement is a legally binding document. By signing it, you have agreed to certain terms and conditions, which include expectations for occupancy and conduct. Breaking this contract has costly consequences. You may request a “Contract Release” at any time. Depending on your reason, and documentation provided to support your request, you will be charged either 30 days or end of contract of rent beyond the day that you check out of your room. Generally, the charge is the end of contract rent unless you are also withdrawing from the university. For more information about Contract Release, refer to the License Agreement or contact the Office of Housing Administration.
HEALTH SERVICES

💬 Do I need health insurance?

During the period covered by your License Agreement, you must be covered, at your own expense, by health and accident insurance. This must be on either an individual or group basis, with minimum coverage of $2,000 in hospital benefits, $150 in medical benefits, $350 in surgical benefits, and $50 in emergency outpatient benefits per accident or sickness. If you are not already covered by your own or your parents’ health insurance plan, you must obtain health insurance. The Associated Students Business Office has information about student health insurance.

💬 Where should I go if I feel ill?

Student Health Services on campus is staffed by full-time health professionals who are able to provide you with primary health care. Whenever possible, you should schedule an appointment in advance to see a health care provider. Scheduling an appointment can reduce your waiting time. You may also request to see a specific health care provider. To make an appointment call 619-594-5058.

💬 What types of services do Counseling & Psychological Services offer?

Therapists in Counseling & Psychological Services offer many services including individual counseling, group therapy, and alcohol and drug counseling. Periodically, workshops and presentations on healthy living and mental well-being related topics are also offered. You can call 619-594-5220 or stop by Calpulli Center, room 4401, for assistance.
LOCKOUTS

What if I lock myself out?

Staff will assist you in entering your room and you will be charged $25 per entry, regardless of the reason for lock out. Staff may not be readily available and you may be required to wait. Repeated incidents can result in judicial action.

SERVICE REQUESTS

How can I get something repaired in my room?

Repairs will be made on a priority basis when a service request has been submitted. Request a repair by initiating a service request online at: http://newscenter.sdsu.edu/housing/servicerequest.aspx or at your front desk. Please be aware that in some cases, it may take several days for a service request to be completed if parts must be ordered. If it is necessary to enter your room to make a repair while you are out, the maintenance staff member will notify you that they were working in your room.

Work Order sites:

The web link for submittal of work orders for your room or suite is: http://newscenter.sdsu.edu/housing/servicerequest.aspx

QUIET HOURS VS. COURTESY HOURS

What’s the difference between “courtesy hours” and “quiet hours”?

Courtesy hours require that residents do not exceed reasonable noise limits to ensure that other residents are not disturbed. They are in effect at all times. During quiet hours, noise should not be detectable outside of individual rooms. Quiet hours are in effect 9 p.m. to 10 a.m. Sunday – Thursday and midnight to 10 a.m. Friday and Saturday. Quiet hours extend to all public areas, pools and quads. Amplified sound is prohibited. Please be advised that normal work hours for maintenance and custodial services are 7 a.m. to 6:30 p.m. These services are exempt from courtesy and quiet hours. Courtesy hours and quiet hours are enforced outside of the building as well as inside. Loud talking or groups that disturb others are not permitted.

INTERNET ACCESS

How can I get my computer hooked up to the Internet and wireless access?

The best option is to use RezCon which provides a fast wireless connection right from your room. Full details on how to connect are located on the RezCon Web site at: rezcon.sdsu.edu.
DINING/MEAL PLAN

Where do I eat?

Your meal plan enables you to take advantage of a special community way of life, which includes quality food choices and a friendly dining atmosphere. The primary residential dining facility is The Dining Room at Cuicacalli Suites. With your meal plan, you can purchase food at numerous locations on campus, including the Aztec Markets and The Dining Room. Refer to the Aztec Shops website at www.eatatsdsu.com for more information on each meal plan and the locations where you can use your meal plan.

Can I change my meal plan?

You can change your meal plan by contacting SDSU Dining. There is a processing fee to change your plan. Changes may be made only during the following dates:

- Sept 7-11, 2015, effective Sept 21
- Nov 16-20, 2015, effective Jan 18, 2016
- Feb 1-5, 2016, effective Feb 15, 2016

COOKING

Where can I cook?

Stoves, ovens, refrigerators/freezers, and microwave ovens are provided in the community kitchen of most residential communities. Ask your front desk how to check out equipment or reserve the kitchen.

GUEST POLICIES

Am I permitted to have guests?

All visitors and guests must be escorted by you at all times. You accept responsibility for the behavior of your visitors and guests and must inform them of university and housing regulations. You are allowed no more than three guests in your room at any given time (two guests per licensee in...
Cuicacalli, Tenochca, Maya, Olmeca, and Chapultepec). Residents living in designated over-the-break housing may have only one guest at a time during break periods.

💬 May I host an overnight guest?

The overnight guest privilege is extended to all residents on a temporary and occasional basis only after securing approval from his/her roommate(s) and registering the guest at the front desk, per the License Agreement.

DRINKING AND DRUG USE

💬 I’m uncomfortable with the drinking and drug use in my building. Do I have to put up with it?

No. Alcohol is not permitted in the freshman residential communities. Other drugs are also not permitted. Alcohol use and binge drinking create problems for millions of college students who are not binge drinkers. Known as secondhand binge effects, these may include physical assault, sexual harassment, sexual assault (rape), interrupted sleep, property damage, impaired study time and a generally unpleasant college experience. Concerned or inconvenienced residents should feel empowered to insist that other residents comply with the alcohol and other drugs policy, and, if they are not successful in their efforts, the community staff should be notified to request further action be taken.

Underage drinking has stiff penalties in California. These penalties include a $250 fine, suspension of a driver’s license, community service, mandated counseling, and university judicial sanctions. Judicially mandated intervention will include a fee of at least $100. Additionally, students who violate alcohol and drug policies may be suspended or, in some cases, expelled. Expulsion is systemwide, which means any student expelled from SDSU will never be permitted to attend any California State University.
