Systemwide Professional Development

Whether in the classroom or on-line, Systemwide Professional Development provides options for CSU employees to expand their job-related learning beyond campus offerings.

- Thousands of e-Learning courses
- Open to CSU employees and family
- Bargain registration fees
- Certification prep for IT professionals
- Webcasts provide specialized content

International PILAR AWARD for e-Learning!

Our Webcast Savings to Date

$2,640,964.88
(calculated from January 2009 to Today)

"I am not disorganized — I know exactly where everything is! The newer stuff is on top and the older stuff is on the bottom."
