

FROM BACKPACKS TO BRIEFCASES

Summer Activities!

Summer is an excellent time to develop new skills and experiences to put on the resume!

Consider using this summer to gain the most coveted skills in the workplace!

6 coveted skills in the workplace:

- 1) Communication Skills
- 2) Technical Skills
- 3) Leadership and Managements Skills
- 4) Teamwork Skills
- 5) Research and Information-Gathering Skills
- 6) Creativity

Consider interning or volunteering for your favorite non-profit over the summer, or look for summer-specific jobs at camps and entertainment venues.

A list of success on your resume tells future employers that you have the skills for even bigger things. So turn your summer job responsibilities into skills that employers like to see on your resume and in their offices!
