Documentation Guidelines for Visual Limitations

In order to determine eligibility for accommodations and services from the Student Ability Success Center (SASC) at San Diego State University, verification and supporting documentation of the student's disability must clearly demonstrate that he or she meets the definition of disability as stated in the ADA Amendments Act of 2008 (ADAAA). The impairment must substantially limit one or more major life activities and affect the student's ability to function in an academic environment.

Students requesting accommodations and services must provide the following:

- Documentation with a clear diagnosis of disability from an optometrist or ophthalmologist.
- Functional limitations of the disability for which accommodation is being requested and whether the degree of limitation is mild/moderate or substantial.
- Medications currently being taken and their side effects.

Requests for accommodations are considered on a case-by-case basis and the determination of actual services and accommodations will be made by the Student Ability Success Center.
