

Make a Difference at Chollas-Mead

Chollas Mead Elementary and DEEP
are looking for volunteer reading tutors!!

We are forming a dedicated team of volunteer reading tutors—
the "Everyone A Reader Team"— to read one-on-one
with second grade students selected by their teachers.

This is a great way to inspire children to love reading and to learn
strategies for supporting your own children's reading at the same time.

Requirements:

- Commit to be available 1 and 1/2 hours on the same day every week to read with four children individually for 15 minutes each (See back for more details)
- Participate in a 2-hour training (TBA)
- Complete clearance paperwork needed to work with children. DEEP will help cover costs.

This program, designed by the San Diego County Office of Education,
is a highly successful and positive way of supporting children
in the process of learning to read.
