TEACHING ACTIVITIES

San Diego State University

Seminar in Psychiatric Rehabilitation (2009-2014)

Qualitative Methods of Inquiry (Doctoral Seminar) (2008-2014)

Portrayals of Individuals with Psychiatric Disabilities in Film: Attitudes, Treatments and Implications for Social Change (Practicum in Rehabilitation Counseling) (2008)

International Issues in Psychiatric Rehabilitation (2007)

Seminar in Mental Health (2006-2013)

Job Placement (2006-2013)

Fieldwork in Psychiatric Rehabilitation (2006-2008)

Theory and Process of Counseling (Samoa) (2009)

Practicum in Rehabilitation (2002-2005, 2010,2013)

Internship for Rehabilitation (2003,2005, 2007)

Theory and Process of Counseling (2003-2014)
Rehabilitation Foundations (2002-2013)

Group Dynamics in Rehabilitation (2002-2003)

University of Illinois at Urbana-Champaign

Social and Psychological Aspects of Disability (1998-2002)

Introduction to Rehabilitation (1997-2001)

Job Placement (1998, 2000)

Disability in American Society: Issues and Perspectives (1999-2002)

Cazenovia College

Therapeutic Recreation (1997)

Syracuse University

Psychological and Social Aspects of Disability (1994-1996)

Introduction to Special Education (1995)

Supported Employment (with Patricia Rogan) (1993)

COURSE DEVELOPMENT

Best Practices in Psychiatric Rehabilitation (2013)
San Diego State University

Masters course in evidence-based practices in psychiatric rehabilitation prepares LPCC and Psychiatric Rehabilitation Certificate Students to work effectively with individuals who have mental illness.

Principles of Psychiatric Rehabilitation (2013)

San Diego State University

Masters course provides LPCC Track, Psychiatric Rehabilitation Certificate, and general rehabilitation counseling students with in depth information about mental illness.

Seminar in Qualitative Methods of Inquiry (With Frank Harris III) (2008)

San Diego State University

Doctoral course provides experiential learning in participant observation, interviewing, and data analysis.

Portrayals of Individuals with Psychiatric Disabilities in Film: Attitudes, Treatments and Implications for Social Change (Practicum in Rehabilitation Counseling) (2008)

San Diego State University

Selected films are viewed and analyzed to discover 1) how media both reflects and shapes attitudes toward psychiatric disabilities, and 2) as a springboard for learning factual information about psychiatric disabilities.

International Issues in Psychiatric Rehabilitation (Advanced Seminar in Rehabilitation Counseling) (with Nan Zhang Hampton) (2008)

San Diego State University

Course examines attitude formation, psychiatric disability services and assessment in an international context. Experiential and research components form the core of the learning experience.

Seminar in Psychiatric Rehabilitation (Advanced Seminar in Rehabilitation Counseling) (2005)

San Diego State University

Course covers advanced psychiatric rehabilitation literature and principles and their application in rehabilitation settings. Evidence based and best practices are emphasized.

Fieldwork in Psychiatric Rehabilitation (2004)

San Diego State University

Course explores the recovery model of psychiatric rehabilitation. Topics include co-occurring disorders, supported employment, consumer and family perspectives, evidence-based practices, and motivational interviewing.

Disability in American Society: Issues and Perspectives (1999)

The University of Illinois

Course presents a range of issues pertaining to disability including demographics, disability rights, services, policies and current issues. The course applies a disabilities studies perspective, in which individuals' impairments are seen to result from socially imposed barriers.

PROGRAM DEVELOPMENT

- 2013- **LPCC Concentration—Rehabilitation Counseling**
Interdisciplinary program of study that permits M.S. in Rehabilitation Counseling students to prepare for licensure in the state of California.
- 2008 **Psychiatric Rehabilitation Certificate**
The 15-unit (five-course) post-baccalaureate certificate provides professional with theoretical constructs and applied knowledge in counseling, career development and supports for individuals with psychiatric disabilities.
- 2005 **Focus on Psychiatric Rehabilitation**
Specialized course of study provides students in the Rehabilitation Counseling program with the essential background, theory, knowledge and methods to maximize their effectiveness with individuals who have mental health difficulties. Can be completed in conjunction with the Psychiatric Rehabilitation Certificate.
